...Registration Renewal Fees – For Continuing Families

Registration Renewal Dates

Continuing families may renew their registration from May 1 to June 30 each year. Significant late fees apply if registration renewal form has not been received *and* payment made or arranged by June 30.

Renewal Fees (Nonrefundable)

The fee for registration renewal for continuing students is \$40 each for up to three students (no charge for fourth +).

If a *continuing* family is adding a *new** student, consider the new student(s) as the first of the three paying registration. The fee for each of the first three *new* students in a continuing family is \$60 when enrolling at the same time.

*A new student is defined as a student transferring a permanent cumulative file from another school, a student previously enrolled in CHS who has not been enrolled here for one semester or longer, or one who has not been enrolled in any school previously.

High School Surcharge (Nonrefundable)

For high school students (9th and above) new to Christian Heritage School, add \$40 per student. For continuing students, add \$40 for each 9th grader and \$25 for each ongoing 10th, 11th and 12th grade student.

...Tuition Fees

Tuition Amount

The tuition per family is \$420 per year (\$210/semester).

Tuition Payment Alternatives

These payment alternatives apply only to tuition (NOT registration or any other charges):

- Tuition may be paid in full by first tuition due date.
- If you prefer, you may pay tuition in ten monthly installments (\$42/month) beginning in *August*. Payments are due on the first day of the month but will not be considered late until after the 15th of the month. Late fee is \$5/month.
- The first month's tuition is absolutely nonrefundable.

...Testing Fees

Wide Range Achievement Test (WRAT)

A WRAT costs \$10, takes 15 to 30 minutes to administer and results are immediately available. It is *available* for elementary or ongoing high school students if there is a question about placement level. It is *required* at time of enrollment for high school students new to the school who do not have current standardized test scores; otherwise it is an *optional* test.

Standardized Achievement Tests

Standardized achievement testing is *available* for all students K-12; it is *required only* for 6th through 9th grade students. The cost depends upon the test used, but is usually between \$26 and \$50; testing is done in the spring and payment in full is due when ordering (in January).

High School Proficiency Tests

Before graduating with a CHS diploma, either the California High School Proficiency Exam (CHSPE) or our own Basic Academic Skills Evaluation (BASE) is required to be taken by students in the second semester of 10th grade or higher until it is passed; cost for the CHSPE is currently \$130 (paid directly to CHSPE, **not** to CHS), the BASE is \$45. You will be notified when to pay.

...Other Expenses

Home School Legal Defense Association (HSLDA) Membership Fee

HSLDA membership is REQUIRED! Families are exempt from this requirement only if (1) their enrolled children have not yet reached age 6 or have all reached age 18 or have passed the CHSPE or (2) the teaching parent holds a current teaching credential in the state of California.

CHS member families receive a discount off the \$120 annual fee and pay just \$100. Application is separate from CHS and is to be done directly with HSLDA within one month of CHS enrollment. You may apply online or a paper application can be supplied to you by our office. They offer installment options.
